

## Be Well Do Well Mini-Grants 2022-2023 Application Information

Grants to promote the behavioral health and wellness of Palm Beach County residents and professionals.

Great ideas can come from anywhere! That is why we invite individuals, groups, and organizations to spark your imagination for new ways to support mental health now, and for the long term.

*What does our community need? Who could you help?*

*What could make a positive impact on our mental and behavioral health for years to come?*

***BeWellPBC invites you to share your innovative ideas starting February 7th!***

**We welcome individuals, groups and/or organizations in Palm Beach County to apply:**

- Palm Beach County residents (of all ages) – affiliation with an organization not required
- Community groups
- Religious organizations
- Non-profit organizations with 501(c)(3) status
- For profit businesses
- Schools or other educational facilities
- Local municipalities

***Apply by yourself or with partners. We love people working together!***

**We ask you to remember to:**

- Support Palm Beach County professionals and **residents most in need**
- Promote creative solutions for behavioral health and wellness
- Focus on areas of interest:
  - Community healing and resiliency
  - Building a community of support
  - Supporting workforce wellness
- Honor equity and inclusion
